FOREWORD

More remuneration or no adjudication.

That could be the situation regarding all umpires involved in today's League and Reserves games.

At the time the "Football Gazette" went to print, the Umpires had not met to discuss the outcome of last Monday's league meeting when their claims for pay increases for boundary and goal umpires were overruled.

But strike action this afternoon is a distinct possibility.

The Umpires' Board has asked for \$1 and \$2 rises for Reserve and League goal umpires respectively, which would take goal umpires' fees to \$6 a week for Reserves games and \$9 for League games.

Boundary umpires are seeking an increase of \$2 per week for Reserves games and \$3 for League games giving them respective weekly fees of \$9 and \$13.

League delegates voted 10-9 in favour of the increase at Monday's meeting but the motion required a ¾ majority.

Since that meeting some clubs have contacted members of the board and have offered to pay the increases out of their own coffers to ensure the umpires are available for today's round of fixtures. These moves confirm the support amongst the clubs for the umpires' cause but of course, are constitutionally unacceptable.

Should the boundary and goal umpires decide to strike this afternoon, the field umpires will also go out in sympathy.

This would be a tragedy for the s.s.m.f.l. but when one considers the distances our umpires cover each week, the long hours goal umpires in particular, put in (they do two games each week) and the large sums players in the competition now demand, perhaps their requests are not unreasonable.

TODAY'S GAMES:

Kenwick's promised threat to Maddington's dominance of this year's competition was dulled somewhat with the "Wick's" loss last week but their game today should still be the match of the round. It's hard to go past Maddington on their current form but this should be their toughest game to date.

Mandurah will be at home to Kwinana and their home-ground advantage will stand them in good stead. However, Kwinana have started to get it together over the last two weeks and they look to have the talent to get them through.

Kalamunda showed a refreshing ability to kick goals last Sunday but still looked well short of a winning side. They play Kelmscott today who have been hard-hit by injuries but are strong enough to stay in the winner's circle for this round.

Armada have lapsed after their promising start to the season and they play Gosnells who were a revitalised side last Sunday. Gosnells should win and still appeal as a finals proposition.

THORNIE'S BIG MAN POWER IS SECOND TO NONE IN THE COMPETITION AND THEY WILL HAVE A DOMINATING EFFECT ON THE SIDE'S GAME AGAINST Canning. Canning produced bursts of good football last week against Maddington but were unable to sustain it — something they will have to do before they're a threat in the competition.

LATE NEWS

Field, Boundary and Goal Umpires will officiate in today's round of matches. The Umpires decided at a meeting on Wednesday night not to strike over match payments.

MIGHTY ROYALS

Last Sundays defeat at the hands of Gosnells was brought about by not all players contributing the 100% required. 'If we are to remain a force in the competition this year every one must contribute to each game.

The encounter in the League game was a very hard one with Gosnells gaining victory with a strong final quarter. No doubt both teams will be in the firing line at the end of the season.

Best League — Neil Dedman a great Captains game, Kevin Dale who booted five goals and Kim Lofts who played strongly at centre half forward.

The Seconds game was a very disappointing game and little can be said of the Royals performance. We were content to be second to the ball and this brought about our defeat. Best Players were Brian Thompson, Mike Strong and Jim Gilbert.

Today's games against the Bulls will be most important as they will gauge our true ability. No doubt all players will come to the party and show that defeats are now behind us. To all players in today's games, the best of luck. —

Congratulations to Wayne Robins who turned 21 last Monday.

THE KNIGHTS NOTES

Congratulations to players of both sides for their excellent double last Sunday. The reserves side played some fine football especially in the first half. Best players were Ron Roberts, Mark Griffin and Garry Ross.

After a slow start the league side moved into top gear and gained a meritorious win. Best players were Noel Van Hythuyzen, John Sofield and Dave McGlade. The second half performances of Frank Legena and Ron De Boer were also responsible for our strong finishing efforts.

Today we travel to Mandurah to do battle with the Seaside. Remember our effort down here last year? This is a match we should regard as a must.

A warning to all supporters. At last week's league meeting concern was expressed over larrikin behaviour at the grounds, especially behind the goals. Clubs have been instructed to clamp down on this as well as drinking around the grounds and if immediate improvement isn't noted the league will take action against those clubs responsible.

Special Notes:— Tickets for the car raffle are now available. This is our major financial effort for the season and its success is a must.

Don't forget the quiz night this Wednesday. Peter Waltham is the compere and it should be an excellent night.

KING ARTHUR.

KALAMUNDA

Kougars the no talent club, that's the title we have by people who haven't seen us play. Rubbish ask Thornlie a team that finished in the four last year about last week, forty shots to thirty four. They won the game in a ten minute burst of goal kicking in the third quarter the rest of the match was ours. We matched them and outplayed them in most positions all day. Confidence in our ability to win is in the hands of the players.

Welcome back Jeff Bingham great game, Choppers, terrific effort, Ian Price and Ossie Hatwell well played. The side is settling down, take care Kelmscott you may be the Kougars first bite. Well done Reserves a good fighting effort by all especially, Graham Pitchers, Graham Watson and Gary the Beard.

NOTE: "June Ball". We will be taking bookings next week.

Good to see Kevin Kirkhope, Gary Ewen and Les Dobson back, where are you Butch.

Jerry Dolan an old time great in W.A. football had a quotation applicable to us as a club "ITS NOT THE SIZE OF THE DOG IN THE FIGHT BUT THE FIGHT IN THE DOG THAT COUNTS".

We all have two arms, two legs a brain and determination to chase leather run — run — run. This week Kougars — Yield to None. Kelmscott we trust you will join us at our after game social at the Wattlegrove Hall, Welshpool Road.

TANGLEFOOT

TIGER TALES

Great Football was witnessed at Wyong Oval last Sunday, large winning margin finally recorded by league leaders Maddington spectators were treated to a high standard of football. Canning supporters can be consoled by the fact that had not indiscriminate shooting for goal and lack of cohesion in the forward line spoil the performance of our league side the scoreboard would have indicated a much truer analysis of the game. Never the less, it was by far our most encouraging performance this season and we go into today's game against Thornlie a very confident side.

It has been a long time since a Canning football side has emerged from a game without recording a solitary goal, but our records achieved this shocking record last week against highly proficient Maddington. Perhaps the presence of more than a handful at training

would be the first step necessary to themselves and more particularly the club from further such embarrassment.

Best Players — League Nock, Kimboley, Barton. Coaches Award — Jim Johnson. Seconds — Team effort.

Tickets are now on sale for our "Years supply of Grog" raffle and book holders are urged to quit these as soon as possible. Drawing date is the end of May.

Our ever popular trotting tipping competition will also shortly be available.

Neville Vellacot our popular ruckman — Treasurer celebrated his 21st birthday during the weekend, the club wishes him all the best on attaining his majority. Lets help the celebrations along today by recording our first win for the season.

IN THE LIONS LAIR

Well we did it — collected our first premier-ship points for the season on the league side of the ledger. But boy was it a struggle. Only a blazing third quarter and goal front accuracy beyond the bounds of normal football got us there. In the future, with player placement and a 50% lift in the fitness department of the team in general, there's no doubt we will win a greater share of the games in balance.

Best players for the league side were Chris Duncan (won the ball early and went all day) Steve Whyte (applied vigour where necessary and held the marks around the ground). Ian Crawford (the marking player got a swag of goals), Ray Dalton (found touch as the game went and kicked with precision). Congratulations to the reserve players filling the injury spots in the league side — warmed to the occasion — knuckled to the task and showed they can do it — well done Steve, Harry, Schultz, Bobby and Ray.

Three played — three won that's the happy story of the reserve grade. Coach Morcom must be happy with the effort so far. The Kalamunda boys threw everything at us but our will to succeed carried us to victory. Best players Dave Payne (as usual - always there), Brad Colvin (worked hard to do the hard things) Trevor Sturk (remarkable to say the least) Bruce Peters (tidy game in the back pocket) and Mickey Bateman (used the ball to perfection). O.K. so this week its Canning at home under no circumstances can we afford to lose either game — Consolidate and Crush Canning Completely.

The Oldest Lion In The Game

THE BULLDOGS

Anzac day saw Kelmscott do battle with Mandurah. The Reserves once again proved that the first match of the season was not a true indication of the talent and depth amongst the ranks. The team is shaping into a combination of experienced campaigners, blended with brilliant new recruits. Congratulations are extended to Ralph Flowers and Phil Farmer on their debuts for the Club and also their winning of the awards for best players. Brent Mezger, Alex Stoma and Wally Bickerton weighed in with good performances to cap off a fine victory.

The League game was a tough encounter all day with the outcome not becoming clear until midway through the last quarter. Kelmscott played spasmodic for three quarters, never really getting the play-on style of football going, that is so necessary in order to succeed. Ray Witt made a welcome return to League football after injury and his bag of goals can only boost his confidence. Andy McIntosh played a grand game all day, initiated many of the forward moves, and his enthusiasm on and off the field is a prime example of the new found club spirit. Others to impress included Peter Della, Barry Miles, Kim Turner and Bill Woodhams.

Membership fees are payable now, become a foundation member of the Kelmscott Football and Sportsmen's Club (inc.) and be part of the most progressive Club in the League. "Bulldog" T-Shirts and Car Stickers are on sale, display your loyalties openly by purchasing yours now from any committee man.

DEMONS DIGEST

'NOT FOR NIX - IN '76!'

To-day we play at Gwynne Park for the first time this season. Our visitors are Gosnells F.C. The "Hawks". All "Hawks" are invited to our friendly after-match 'Drink 'N' Chat' session.

At Kwinana last week, the Reserves improved their lot, and despite losing again, won back the respect of their supporters, but mainly and most important, their own self-respect. Several players deserve a mention, and heading the list were John Hartree (must make league side) Johnny Rowe, Kim Fowler, Colin Towers, and Ric Renton, who at 35 years old, showed that enthusiasm can make light of one's age.

The league side fairly burnt the grass in the first quarter, with Pace, Direction, Accuracy and First Backing-up of each other, to open a good lead. In the second quarter Kwinana came back, but Armadale stood steady to keep the lead. The third quarter saw the Demons falter in as much that the ever-true old saying "It's goals that count" was emphasized to the full. However, in the final quarter, urged on by throat-sore Demon supporters, the Demons came back again, only to falter for a few minutes, these minutes allowed Kwinana to seal the game. Two players, (Both the longest serving players still playing at present) fought through every quarter, tooth and nail, they, more than any other player, want this year to be the "Year of the Demon". I'm referring to of course "Killer" Davey and "Sneaky" Pete Gajda. Great game lads!

The Under 18's got off to a good start with a win at Thornlie, last week, Good Work Lads! Best Players were, newcomer Alan Henderson (no better way to start in a new club), Russell Stevens, and "Tracker" Sheppard.

PEEGEE

TALK OF BULL

Both the League and Seconds produced superb team efforts last week against Canning and both games resulted in comfortable victories by some twenty goals in each grade.

A good overall team effort on the Reserves side was highlighted by a fine contribution of eleven goals from the full forward Russell Jarvis. He was well supported by Vince Slaven on a wing, Graeme Mason in the centre and others to show out were Peter Johnson and Mick O'Halloran.

As was the case with the seconds, the league also proved to be a good team effort with all players weighing in with good contributions. Height was a telling factor as our bigger side had a distinct advantage over their smaller opponents. Those to show out were Laurie

THE HAWKS

What magnificent combined team efforts we saw last Sunday when both our reserves and league teams defeated Kenwick in two thrilling matches. Congratulations to both teams. The league's victory was certainly a creditable performance by our team of small players with big hearts who took up the challenge and with a desire to win finally outplayed and out-ran a much bigger and more experienced side. Naturally pleased with his teams performance, Coach Peter Dougan commented that the players showed character and combined team effort and with a little more training will show an even more improved side.

Best players for the league were Dale Chapman, Ken Harris, Barry Woodhead, and Arthur Jones. The reserves good win showed several players with a lot of potential and naturally trying for league positions.

The Club extends a very warm welcome to new player Kevin Smith. Kevin is formally from Swan Districts and he will undoubtedly prove a valuable asset to the team.

With the return of Norm Barratt, Len Marsh, Geoff Reynolds and Colin Cartensen we can look forward to a favourable performance against Armadale in today's fixture.

H.H.

Stockden, Jim Comminelli and Rod Mohr who were unbeatable in defense, Noel Knight, Jim Butler and Trevor Treger who all were damaging forwards, and the following division consisting of Col Walker, John Duthie, Denis Cometti and (Jimmy) Di Carlo all won hand-somely.

In closing I would like to draw the member's attention to an important decision that was made at the last meeting of the committee of management. That is, as from this season onwards, the fairest and best awards for both grades will be named after two famous club members. They are Steve Jarvis for the league award and Bevin Slavin for the reserves award. congratulations to Steve and Bevin.
